Parking Lot News

God is good and He is faithful. God continues to pour out his spiritual blessings on this church. Over the course of many years, our congregation has been very faithful in their spiritual giving. Because of this faithfulness to God's Kingdom, our church will be getting a new parking lot. The great news is that the funds are already in place in our building fund!

The work on the parking lot will be either the week of **May 18th or May 25th**, weather dependent. Please continue to be in prayer for good weather, patience, and safety during the process.

Praise God for your continued faithfulness!
