Matthew 28: 18-20

# Matthew 28: 18-20 (NIV)

*Then Jesus came to them and said,  
“All authority in heaven and on  
earth has been given to me.*

## **Matthew 28: 18-20 (NIV)**

*Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."*

# Isaiah 13:1 (NIV)

*A prophecy against Babylon that  
Isaiah son of Amoz saw:*

# Question

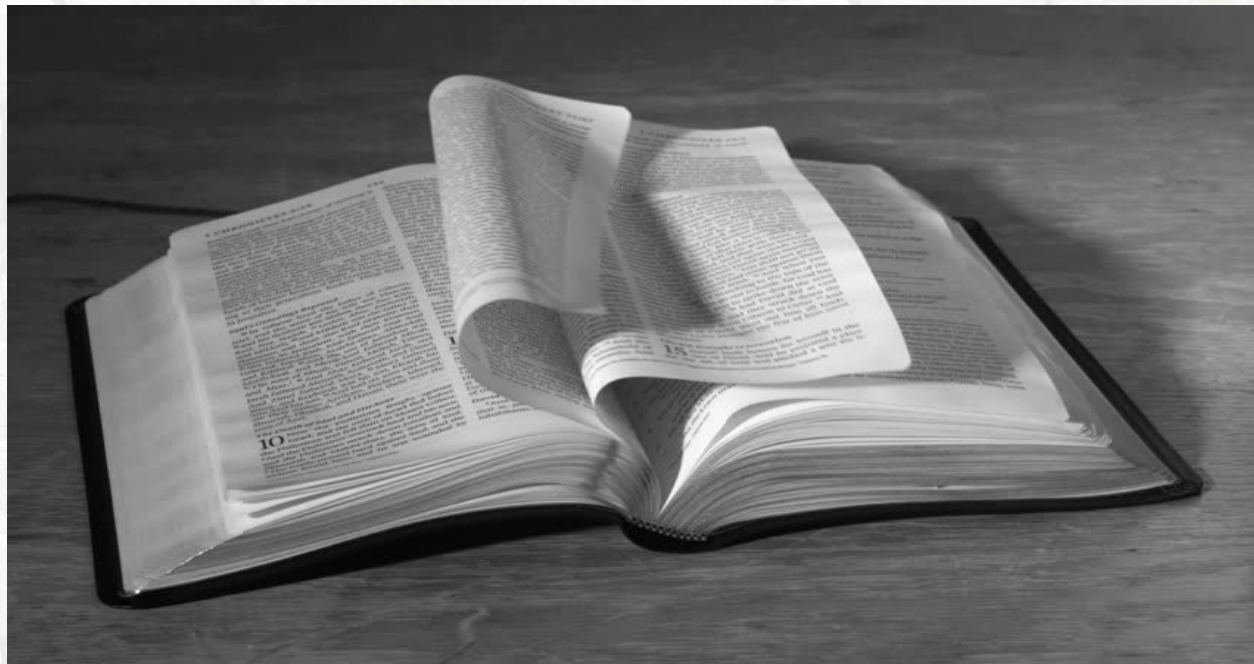

What warring nation is attempting to gain control of Isaiah's world during Isaiah's time?

The kingdom of Judah was  
under attack by the Assyrians  
and God has given Isaiah a  
prophecy about Babylon!

This is an amazing prophecy  
because Babylon was just an  
insignificant little village on the  
Euphrates river when this  
prophecy was given.

100 years after Isaiah recorded  
this prophecy Babylon will  
become one of the greatest world  
empire of ancient times.

Please turn to:  
Daniel 2

## **Daniel 2: 28 (NASB)**

*However, there is a God in heaven who reveals mysteries, and He has made known to King Nebuchadnezzar what will take place in the latter days. This was your dream and the visions in your mind while on your bed.*

# Question

What does the latter days  
mean?

## **Daniel 2: 29 (NASB)**

*As for you, O king, while on your bed your thoughts turned to what would take place in the future; and He who reveals mysteries has made known to you what will take place.*

## **Daniel 2: 30 (NASB)**

*But as for me, this mystery has not been revealed to me for any wisdom residing in me more than in any other living man, but for the purpose of making the interpretation known to the king, and that you may understand the thoughts of your mind.*

## **Daniel 2: 31 (NASB)**

*“You, O king, were looking and behold, there was a single great statue; that statue, which was large and of extraordinary splendor, was standing in front of you, and its appearance was awesome.*

## **Daniel 2: 32-33 (NASB)**

*The head of that statue was made of fine gold, its breast and its arms of silver, its belly and its thighs of bronze, its legs of iron, its feet partly of iron and partly of clay.*

## **Daniel 2: 34-35 (NASB)**

*You continued looking until a stone was cut out without hands, and it struck the statue on its feet of iron and clay and crushed them. Then the iron, the clay, the bronze, the silver and the gold were crushed all at the same time*

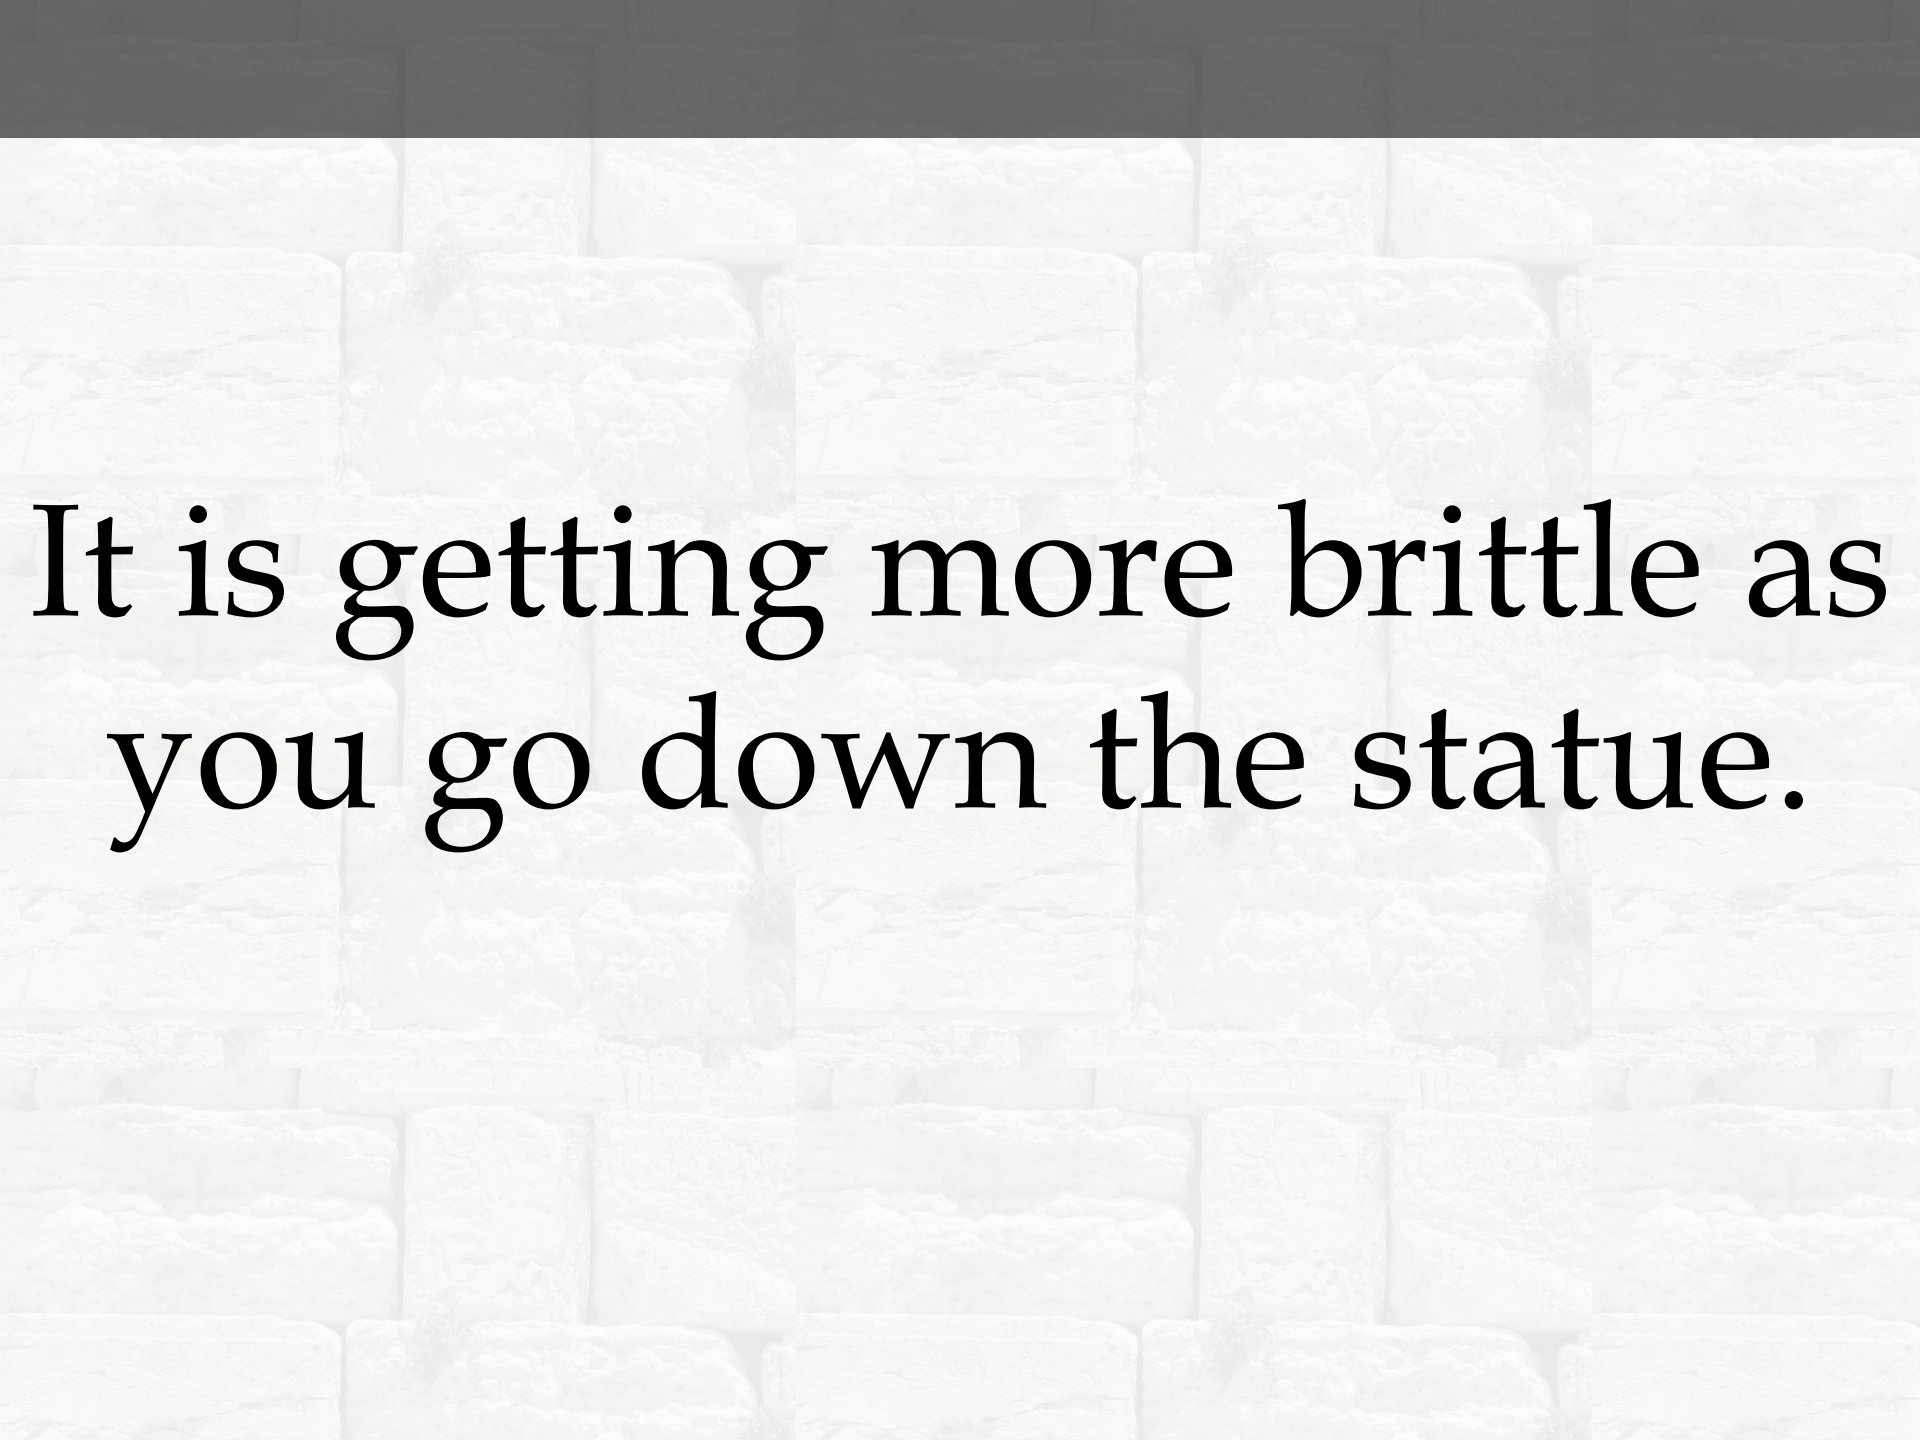

*and became like chaff from  
the summer threshing floors;  
and the wind carried them  
away so that not a trace of  
them was found. But the  
stone that struck the statue  
became a great mountain and  
filled the whole earth.*

# Question

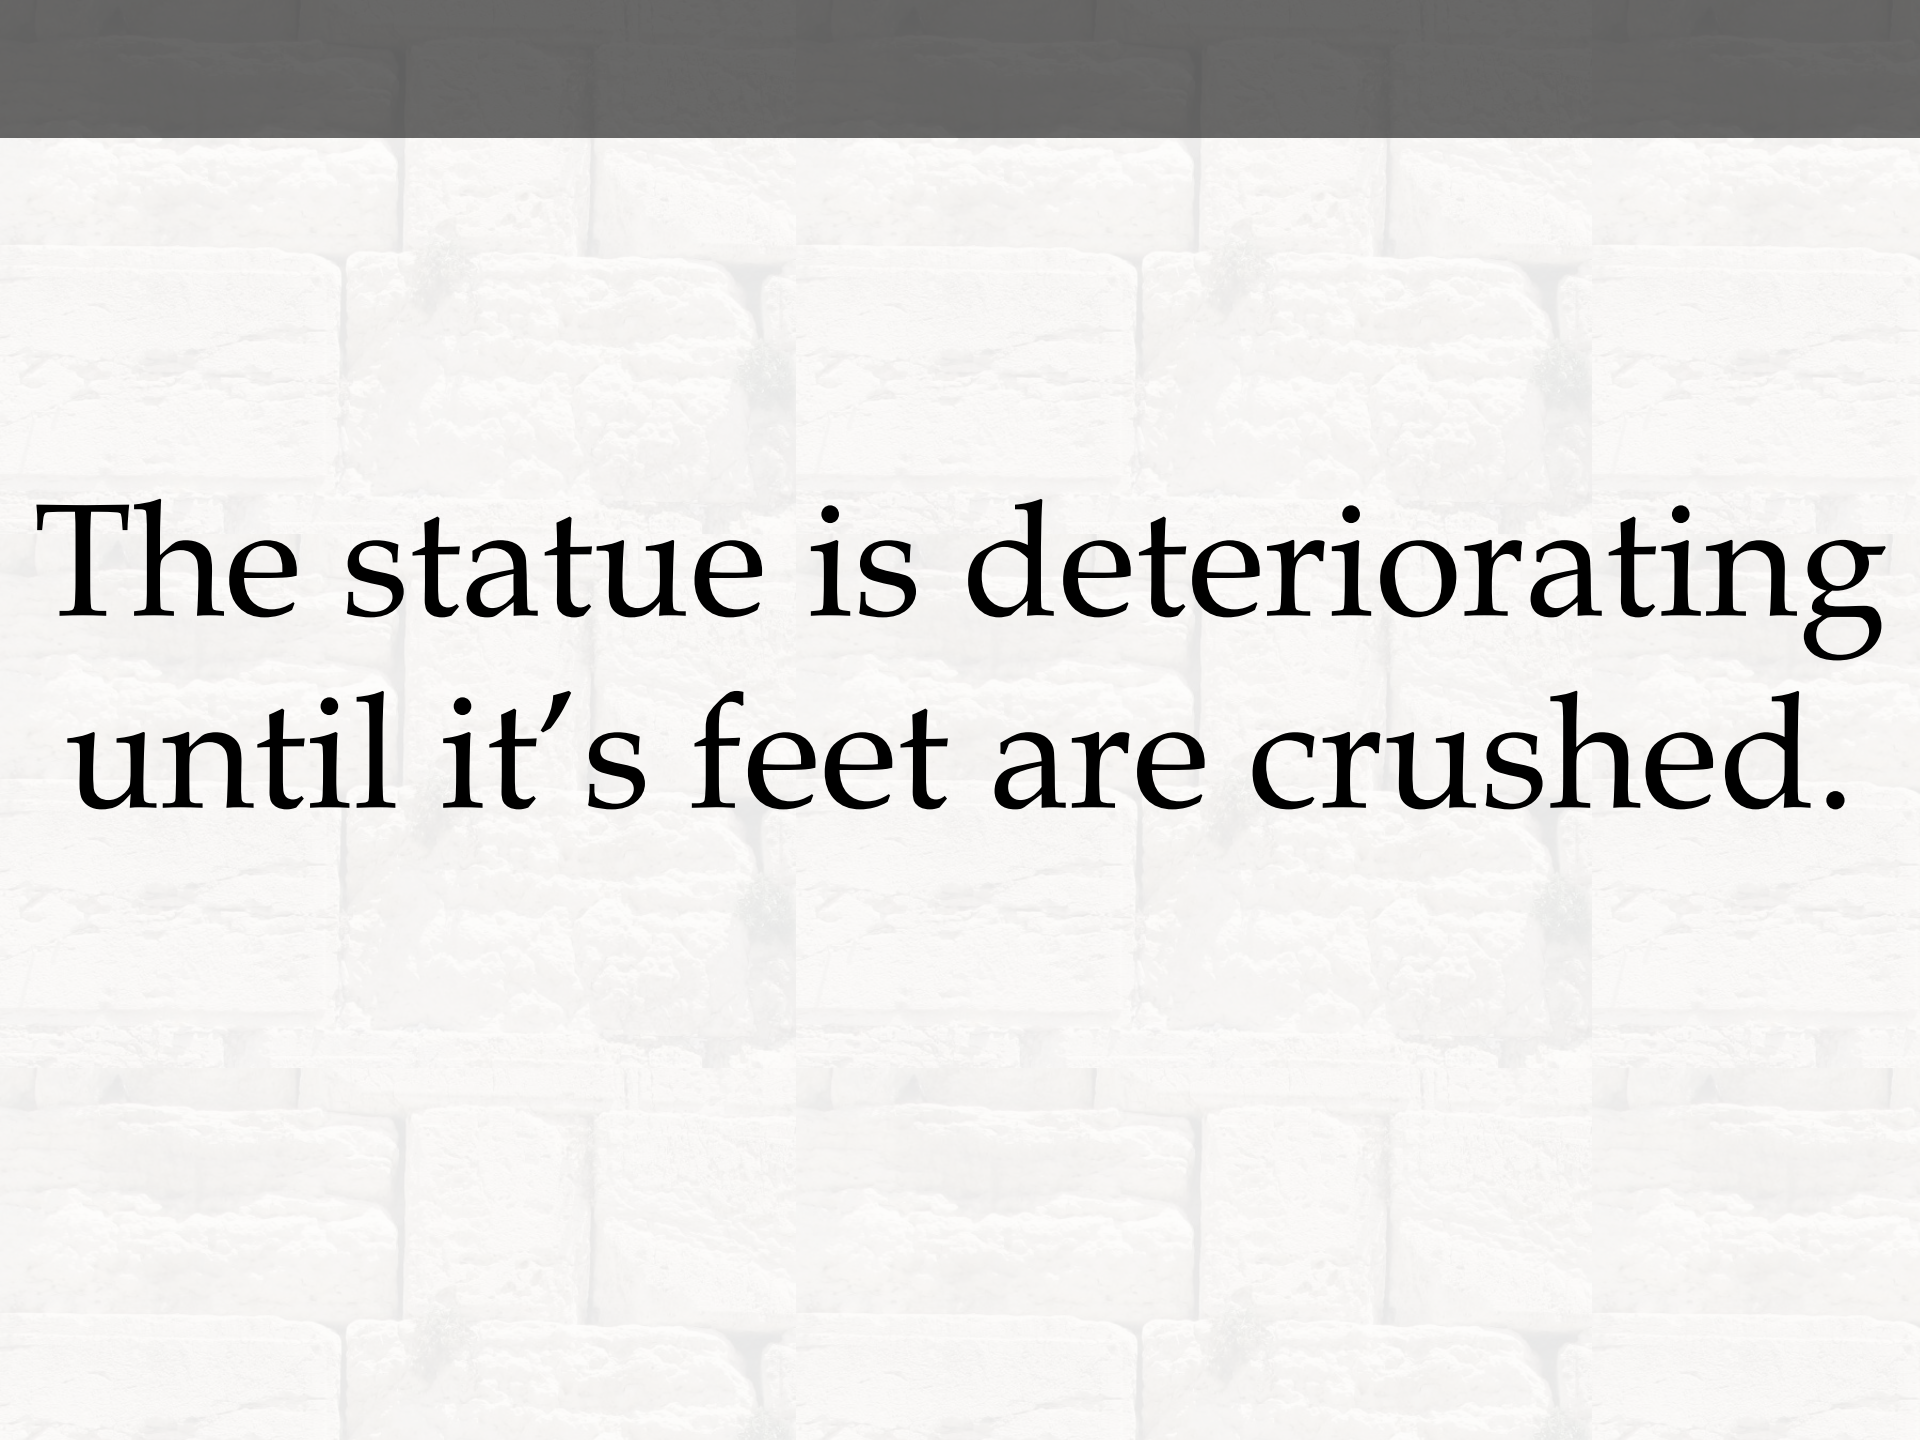

Does anything about the statue stand out to you?

The farther down the  
statue you go the value is  
decreasing.

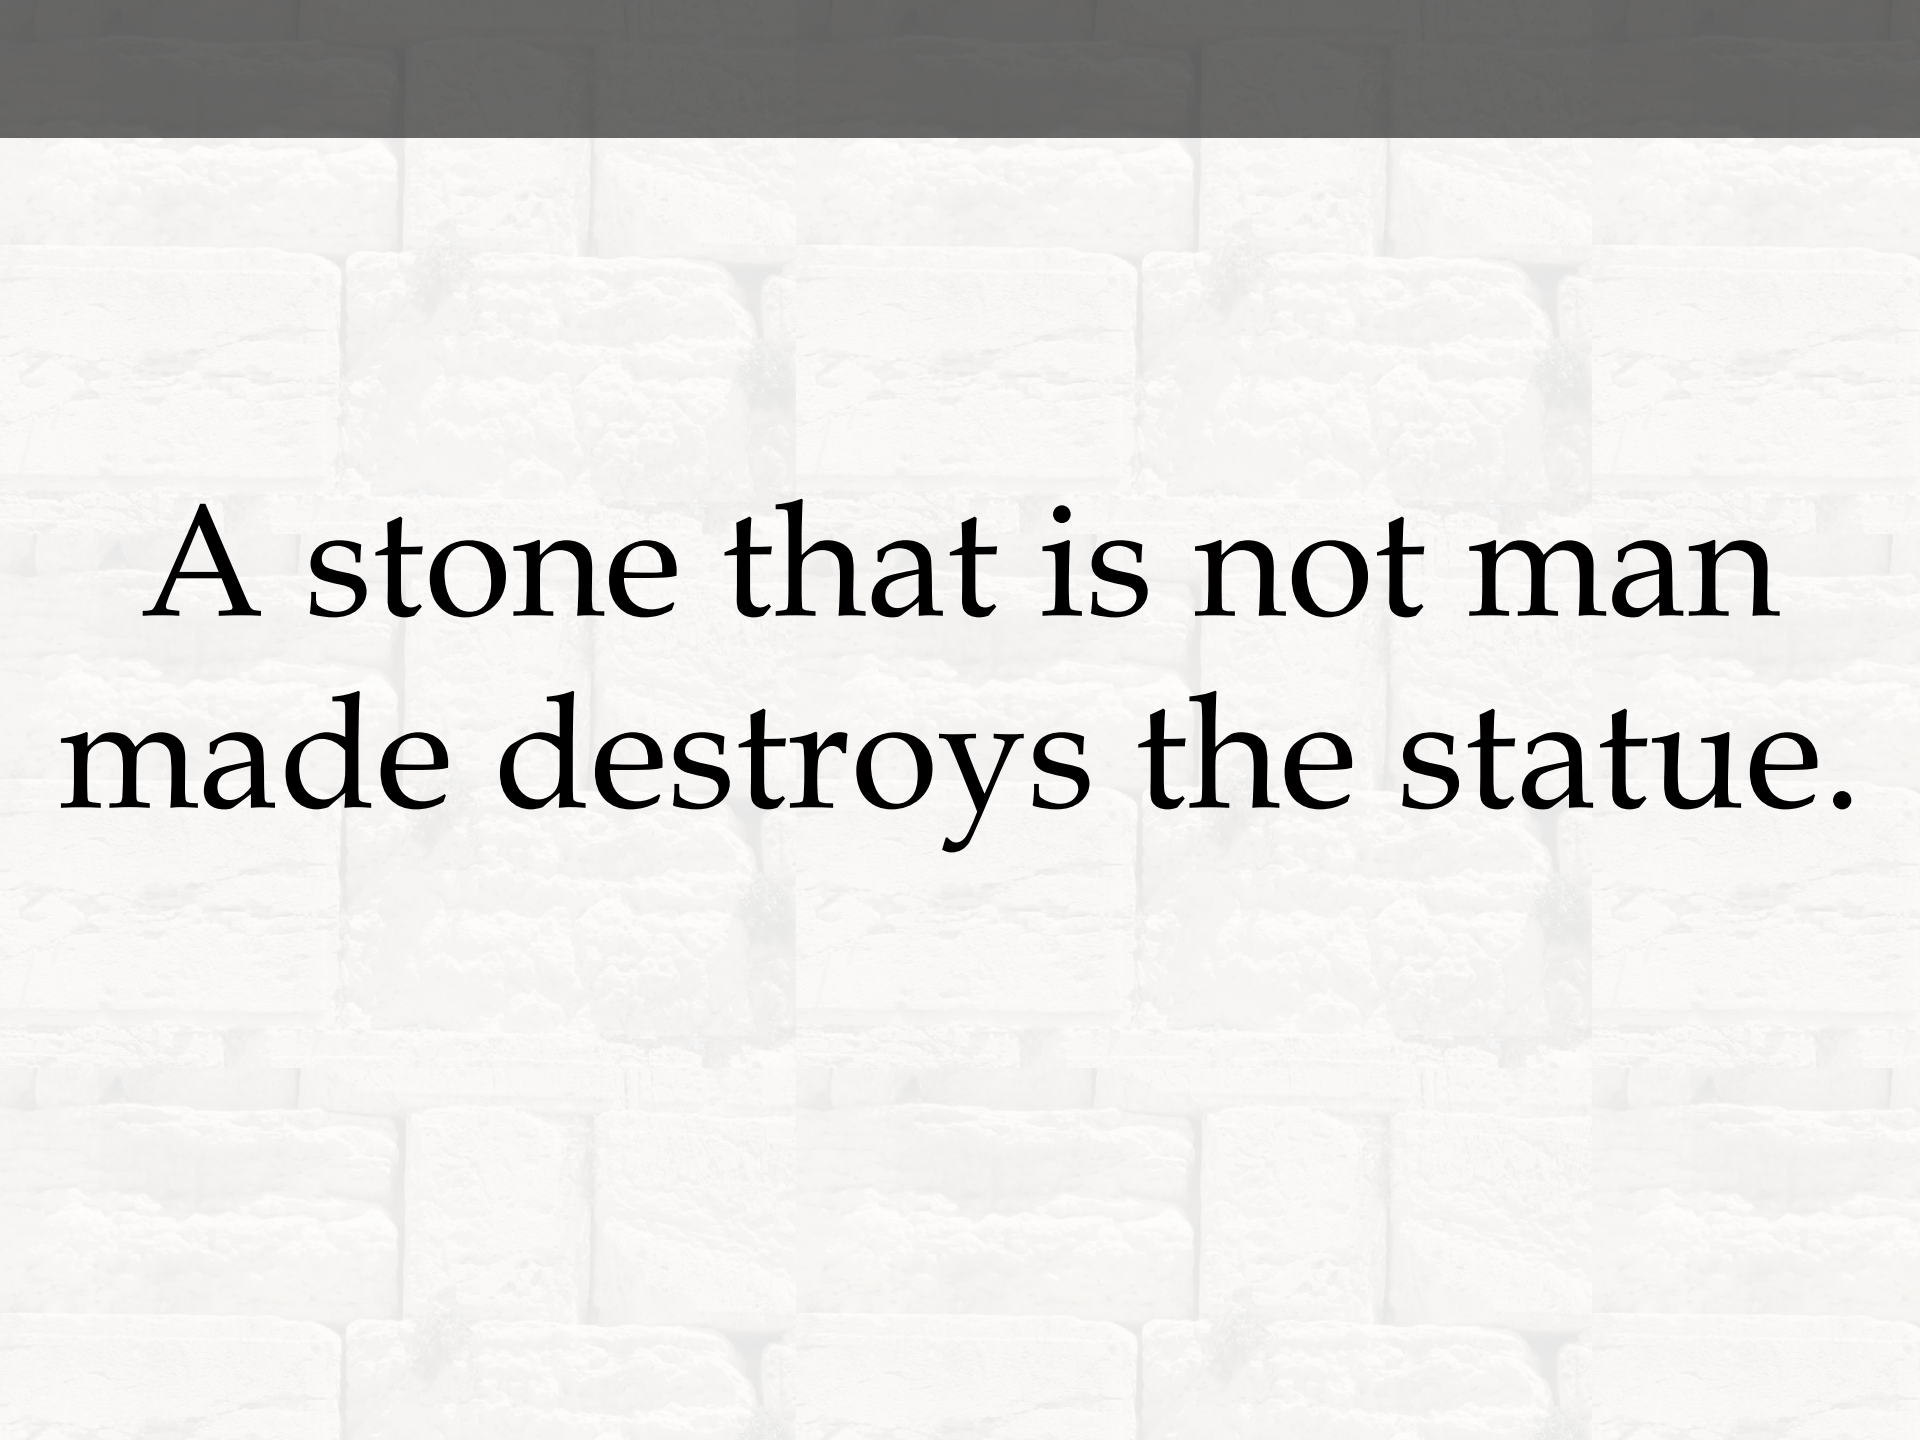

The farther down you go  
the lighter the material so  
this would be extremely  
top heavy and unstable.

It is getting more brittle as  
you go down the statue.

The background of the image is a light-colored stone wall with irregular, textured blocks. A solid dark grey horizontal bar is positioned at the top of the frame.

The statue is deteriorating  
until it's feet are crushed.

A stone that is not man  
made destroys the statue.

This stone fills all the  
earth.

## Daniel 2: 36 (NASB)

*“This was the dream; now we will tell its interpretation before the king. You, O king, are the king of kings, to whom the God of heaven has given the kingdom, the power, the strength and the glory;*

## **Daniel 2: 38 (NASB)**

*and wherever the sons of men dwell, or the beasts of the field, or the birds of the sky, **He has given them** into your hand and has caused you to rule over them all. You are the head of gold.*

The ancient historian  
Herodotus visited  
Babylon 90 years after the  
reign of Nebuchadnezzar  
and gave this description  
in his writing:

Never in his life did he  
see such an abundance  
and proliferation of gold  
as he saw in Babylon.

Isaiah 14: 4 (KJV)

That you shall take up this  
proverb against the king  
of Babylon, and say, How  
has the oppressor ceased!  
the golden city ceased!

**GOLD**

**Babylonian Empire**  
**606 B.C.**

## **Daniel 2: 39 (NASB)**

*After you, another kingdom  
will arise, inferior to yours.*

## Daniel 2: 32-33 (NASB)

*The head of that statue was made of fine gold, **its breast and its arms of silver**, its belly and its thighs of bronze, its legs of iron, its feet partly of iron and partly of clay.*

Notice the second kingdom is made up of two arms connected to the breast, it is not a single kingdom.

# Question

History tells us who the next world kingdom is, do you know?

**GOLD**

**Babylonian Empire  
606 B.C.**

**SILVER**

**Media-Persia  
536 B.C.**

Silver is the same word as money in Aramaic. The Medo-Persian empire taxed their people greatly and collected huge amounts of silver money and became known for their vast amounts of silver.

Also note that the word inferior is used. This word means *lower than* and likely means lower in value to God due to the increasing sin and immorality of society or further down the statue, it does not mean inferior in size, strength or wealth.

## Daniel 2: 32-33 (NASB)

*The head of that statue was made of fine gold, its breast and its arms of silver, its belly and its thighs of bronze, its legs of iron, its feet partly of iron and partly of clay.*

## **Daniel 2: 39 (NASB)**

*then another third kingdom of  
bronze, which will rule over all  
the earth.*

Note again a dual  
kingdom of thighs  
attached to the belly.

Do you know which  
world kingdom this was?

**GOLD**

**Babylonian Empire  
606 B.C.**

**SILVER**

**Media-Persia  
536 B.C.**

**BRONZE**

**Greek Empire  
330 B.C.**

Alexander the Great  
became the leader of next  
world empire- The Greek  
Empire- which was made  
up of Syria and Egypt.

Do you know what metal  
the Greeks were known  
for?

Take a look at the soldiers  
from this time.

**Brass  
Chest  
Plate**

**Brass  
Spear**

**Brass  
Helmet**

**Brass  
Sword**

**Brass  
Leggings**

**Greek Soldier**

His hide, then cut him up, his thighs, in two hewn, dubbed with fat  
Pricked on the sweetbreads, and with wood, leaveless, and kindled at  
Apposed fire, they burn the thighs ; which done, the inwards, slit,  
They broiled on coals and eat ; the rest, in giggots cut, they spit,  
Roast cunningly, draw, sit, and feast. Nought lacked to leave  
allayed

Each temperate appetite ; which served, Nestor began and said :

“ Atrides, most graced king of men, now no more words allow,  
Nor more defer the deed Jove vows. Let heralds summon now  
The brazen-coated Greeks, and us range everywhere the host,  
To stir a strong war quickly up.” This speech no syllable lost ;  
The high-voiced heralds instantly he charged to call to arms

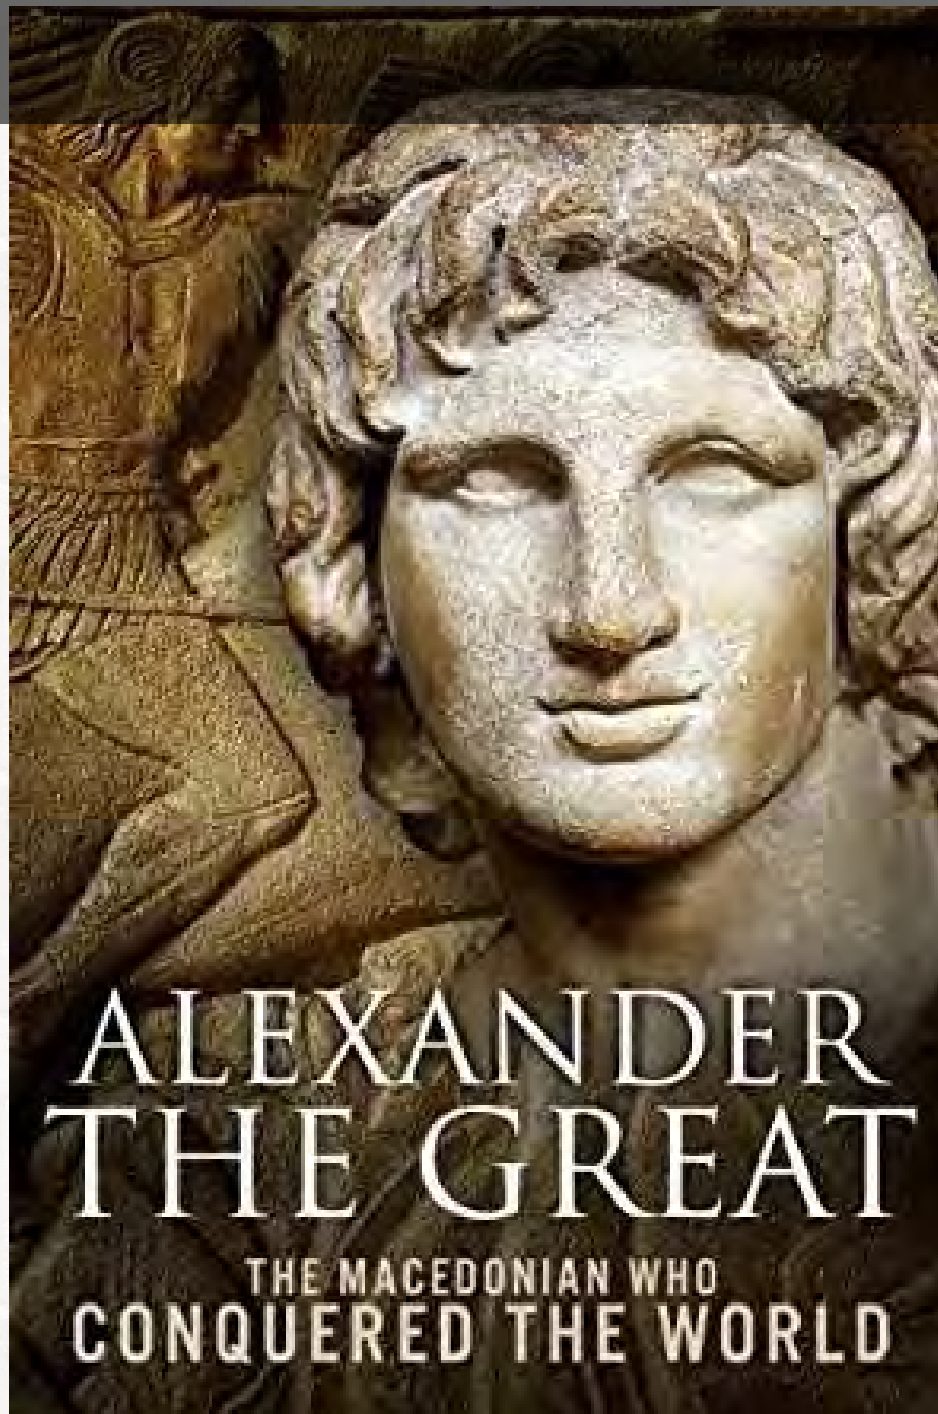

## **Daniel 2: 39 (NASB)**

*Note the Word says: “then another third kingdom of bronze, **which will rule over all the earth.**”*

*Do you know what Alexander the Great commanded people to call him?*

# ***Alexander, King of all the Earth***

Alexander the Great ruled the known world. His empire was the largest ever in the world up to his time. He ruled Europe, Asia and all the way to India.

# ALEXANDER THE GREAT

THE MACEDONIAN WHO  
CONQUERED THE WORLD

## Daniel 2: 32-33 (NASB)

*The head of that statue was made of fine gold, its breast and its arms of silver, its belly and its thighs of bronze, **its legs of iron**, its feet partly of iron and partly of clay.*

## **Daniel 2: 40 (NASB)**

*Then there will be a fourth kingdom as strong as iron; inasmuch as iron crushes and shatters all things, so, like iron that breaks in pieces, it will crush and break all these in pieces.*

Note again a dual  
kingdom of legs of iron.

Do you know which  
world kingdom this was?

<b>GOLD</b>	<b>Babylonian Empire 606 B.C.</b>
<b>SILVER</b>	<b>Media-Persia 536 B.C.</b>
<b>BRONZE</b>	<b>Greek Empire 330 B.C.</b>
<b>IRON</b>	<b>Roman Empire 27 B.C.</b>

Roman existed as the Eastern Roman Empire and the Western Roman Empire.

In Daniel's day iron was the strongest metal. The Roman Empire lasted 500 years in the west and lasted until 1453 in the east. No other empire was this strong.

Rome was a crushing empire.

They were known as a  
kingdom that crushed all  
resistance with an iron heel  
and ruled with an iron fist.

Roman was never defeated or  
conquered, they just dissolved.

## **Daniel 2: 41-43 (NASB)**

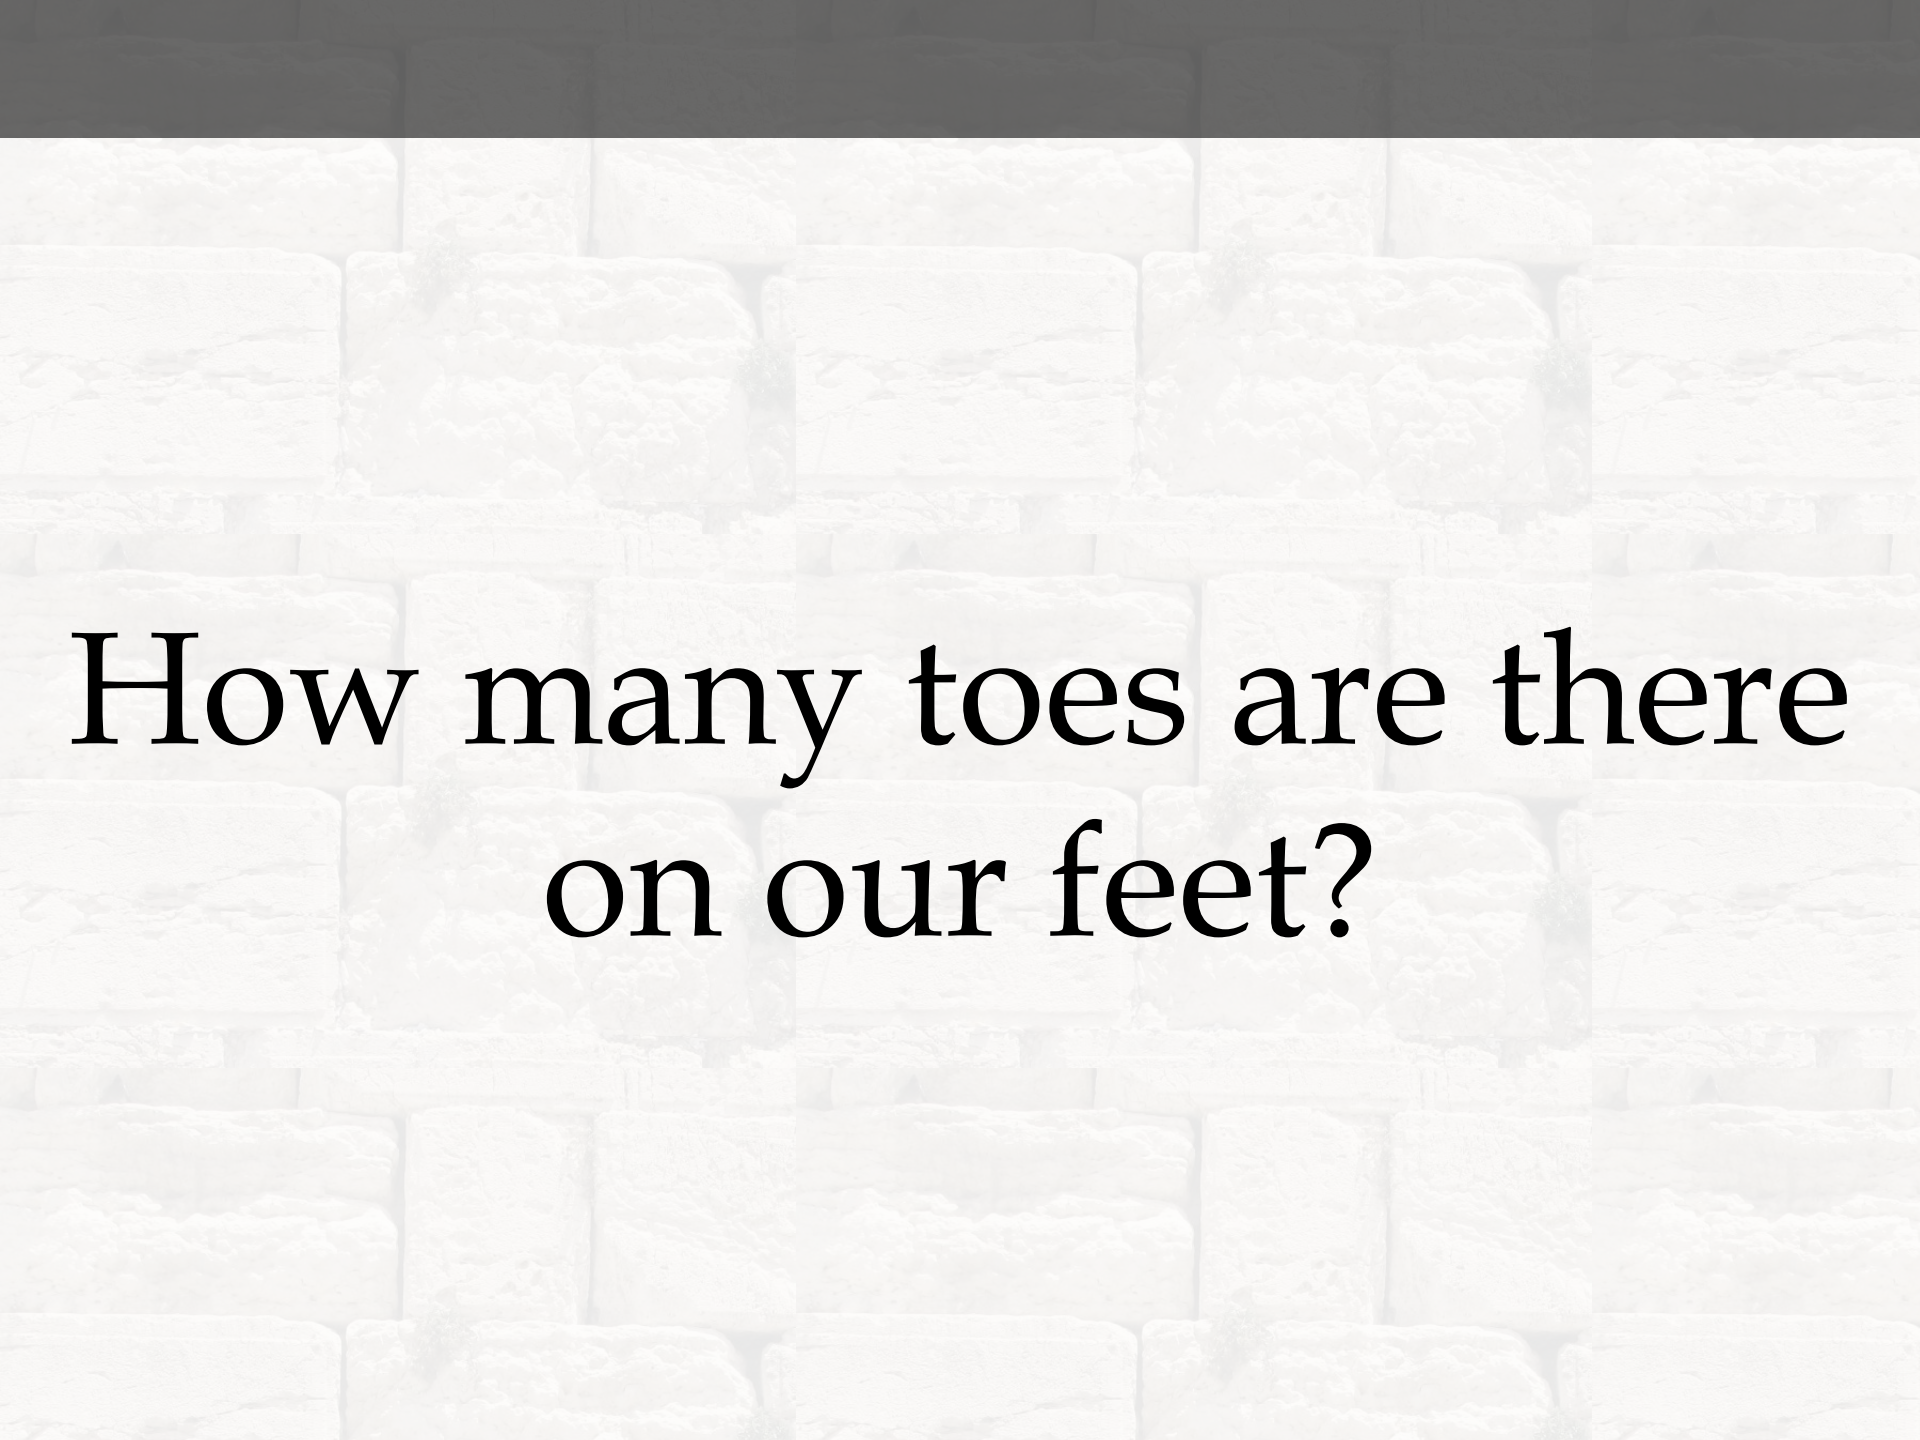

*In that you saw the feet and toes, partly of potter's clay and partly of iron, it will be a divided kingdom; but it will have in it the toughness of iron, inasmuch as you saw the iron mixed with common clay.*

## **Daniel 2: 41-43 (NASB)**

*As the toes of the feet were partly of iron and partly of pottery, so some of the kingdom will be strong and part of it will be brittle.*

## **Daniel 2: 41-43 (NASB)**

*And in that you saw the iron mixed with common clay, they will combine with one another in the seed of men; but they will not adhere to one another, even as iron does not combine with pottery.*

How many toes are there  
on our feet?

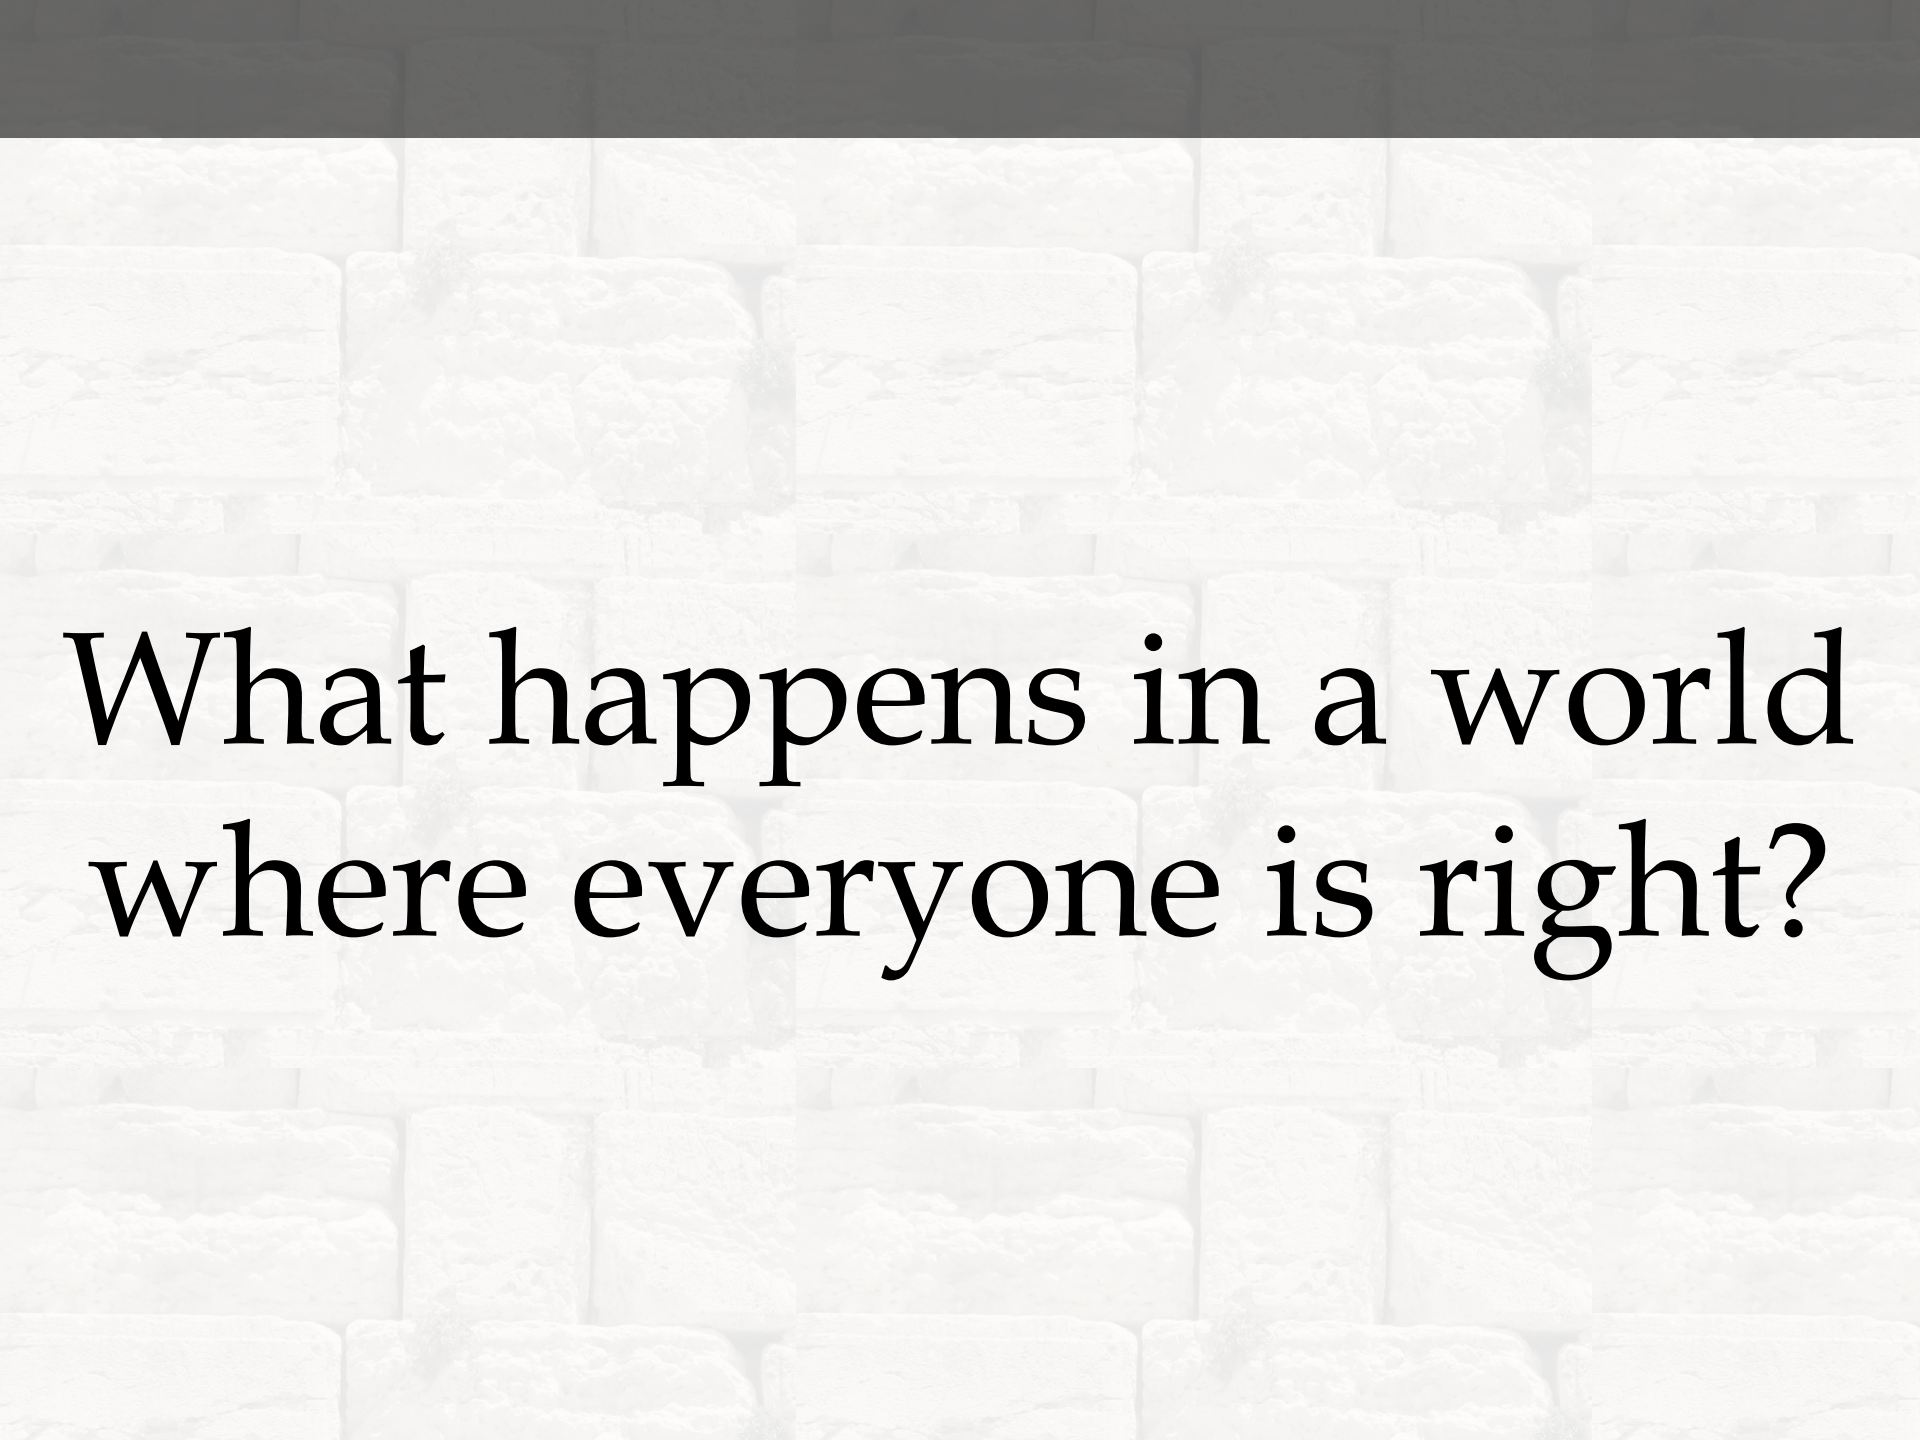

Do you remember which  
world kingdom was iron?

*they will combine with one  
another in the seed of men;  
but they will not adhere to  
one another*

What does this mean?

We see this happening  
today in our world. This  
is a reference to following  
the seed of men, and not  
God

This is describing a world  
where mankind has  
become their own god  
and each person decides  
what is right and wrong  
for them, not God.

What happens in a world  
where everyone is right?

## Daniel 2: 41-43 (NASB)

*And in that you saw the iron mixed with common clay, they will combine with one another in the seed of men; **but they will not adhere to one another**, even as iron does not combine with pottery.*

What do you think this  
final human kingdom will  
be like?

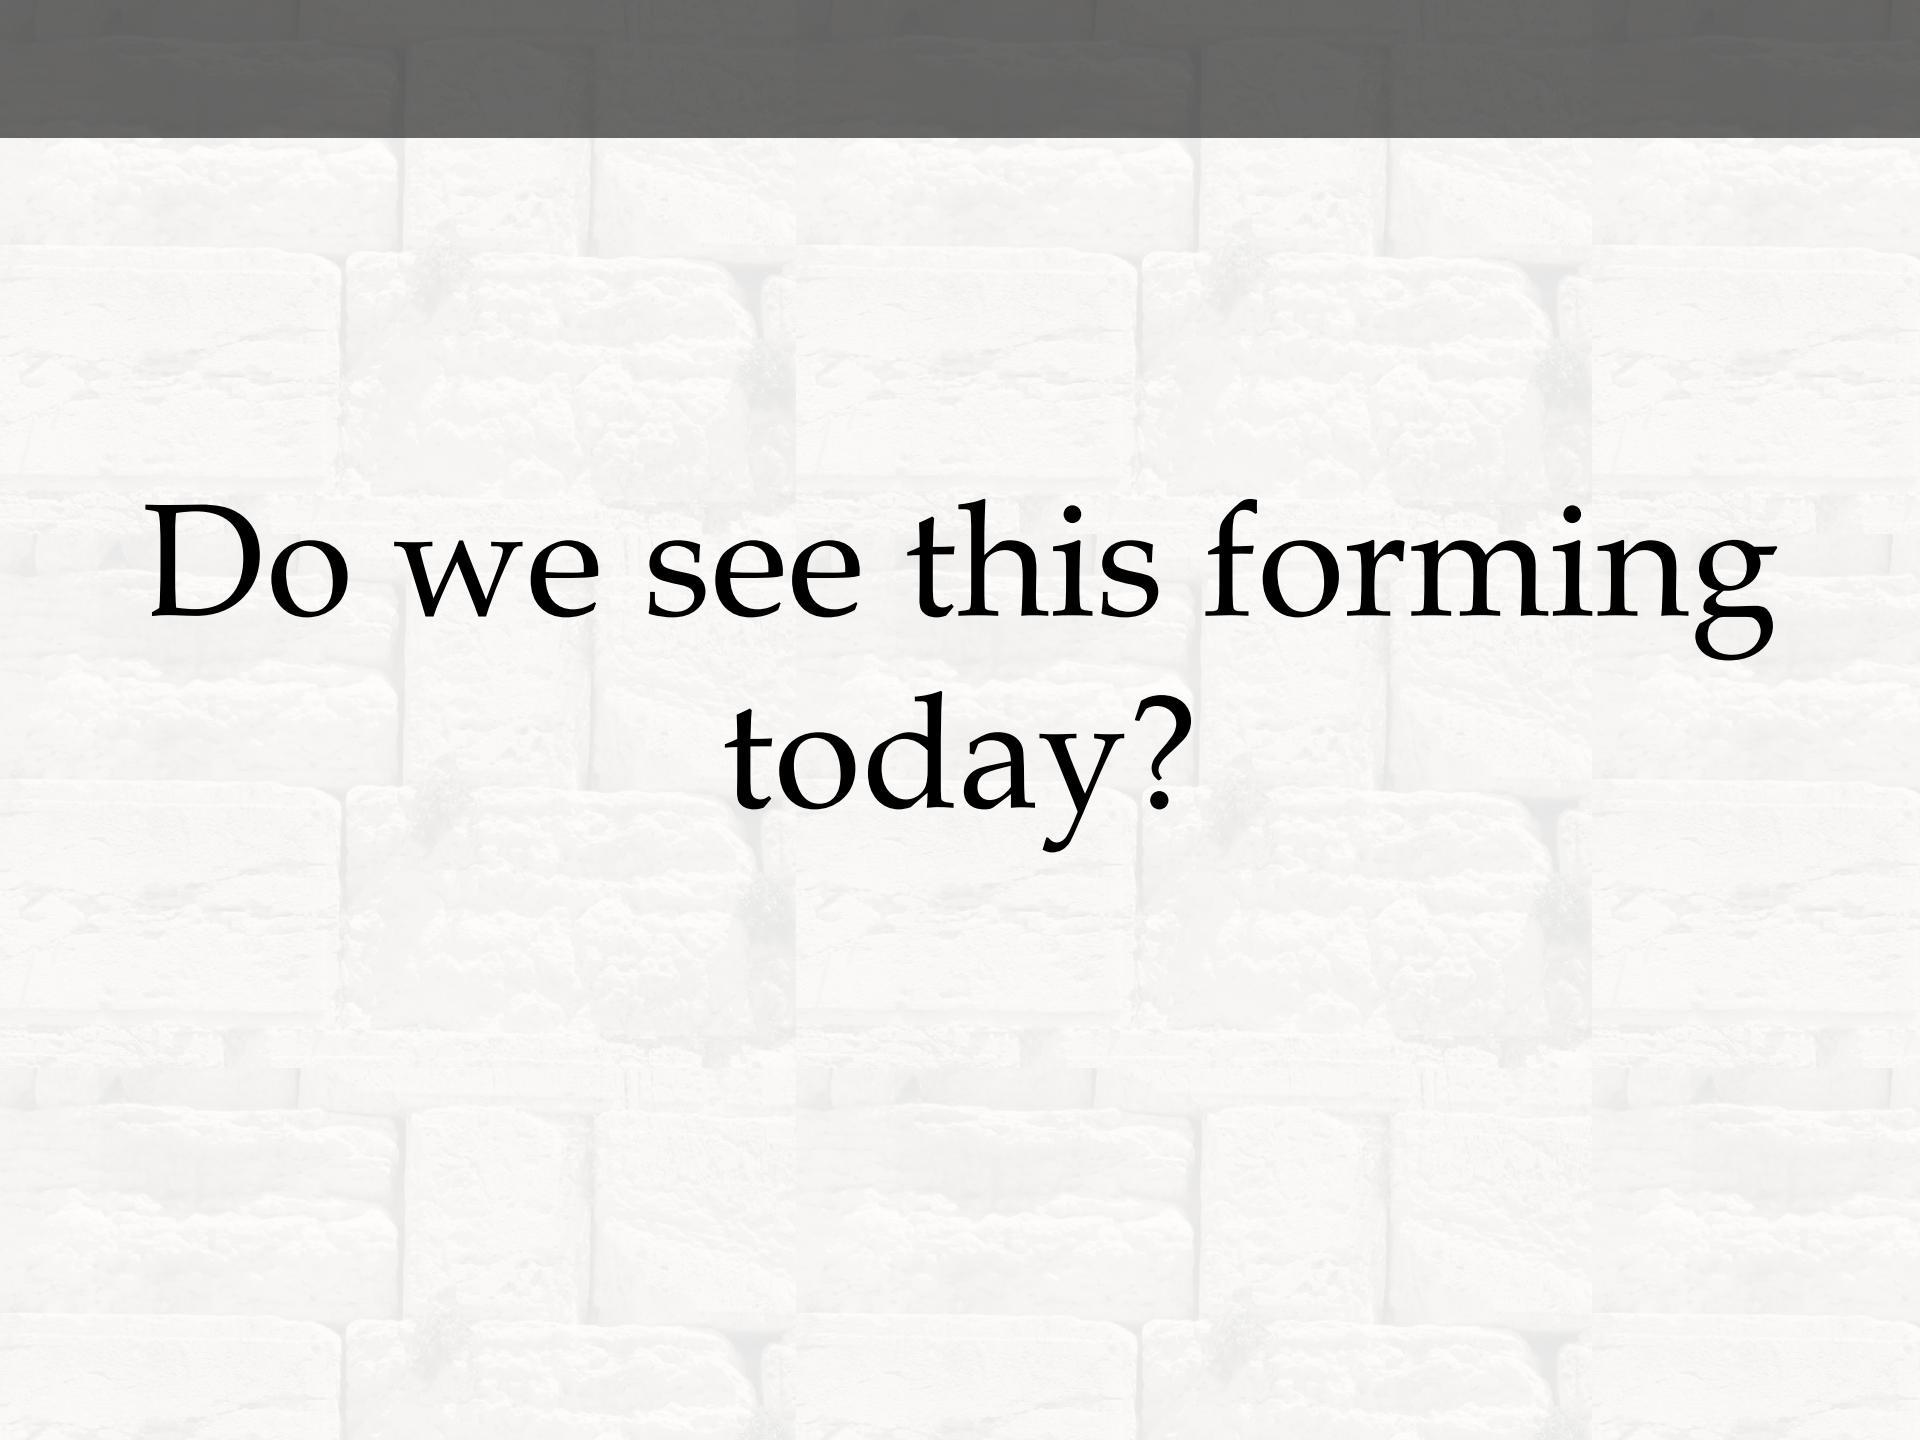

A revised Roman Empire  
made up of 10 world  
nations or 10 kings that do  
not get along and are all  
trying to run the show  
their way.

In other words a kingdom  
that is weakened by their  
lack of unity, weakened  
by their own sinful fleshly  
desires much like we see  
happening in America  
today.

<b>BRONZE</b>		<b>Greek Empire</b> <b>330 B.C.</b>

Is this kingdom in our  
past or in our future?

The background of the slide features a light-colored, textured stone wall pattern. A solid dark grey horizontal bar is positioned at the top of the image. Centered on the stone wall is the text "Do we see this forming today?".

Do we see this forming  
today?

## Coincidences?

On October 24, 2004 the constitution establishing the European Union was signed, the European Union was born and the stage is now set for the rise of the new Roman empire.

# COUNTRIES THREATENING EU STABILITY

“The only hope for the western world lies in an alliance between the Roman Catholic church which is the most commonly, influential, controlling, unifying element in Europe and the Eastern Orthodox church. Rome must unite with Eastern Orthodoxy, because the Eastern Orthodox church controls western middle east, [the east end of the Mediterranean] and if they don’t solidify that control, Islam will march

across Europe. Islam is political. The only hope of the western world lies then in a united Europe under the control of the Pope. And then all Protestant Christians around the globe must come into submission to the Pope so we will have a unified Christian world.”

- Charles Habib Malik, U.S. diplomat and foreign-service officer, former president of the U.N. General Assembly and Security Council, guest lecturer at Harvard
