

SAVED!

A STUDY OF NEW
TESTAMENT CONVERSIONS
Week 1

Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved.

Acts 2: 46-47

What does it mean to be saved?

How do you get saved?

Salvation is simply a process of confessing and believing. A man must confess that Jesus is Lord, which signifies his realization that Christ must have full rule over his life with all of His righteous requirements. This confession of Christ as Lord also assumes that it is Christ who will work and fulfill His own righteousness within man.

Next, he must believe that God has raised Jesus Christ from the dead.

To be saved, a man must confess that Jesus is Lord, while acknowledging in his heart that Christ must have full rule over his life. This confession of Christ as Lord assumes that it is Christ who will work and fulfill His own righteousness within man, as man is unable to attain righteousness of his own accord.

Believe in the Lord Jesus, and you will be saved” (Acts 16:31). God has already done all of the work. All you must do is receive, in faith, the salvation God offers (Ephesians 2:8-9). Fully trust in Jesus alone as the payment for your sins. Believe in Him, and you will not perish (John 3:16). God is offering you salvation as a gift. All you have to do is accept it. Jesus is the way of salvation (John 14:6).

Q: How do I become a Christian?

A: ...all you have to do is receive the free gift of salvation through Jesus Christ by saying a prayer of salvation. Pray this aloud, "Lord Jesus, I repent of my sins. Come into my heart. Wash me clean. I make you my Lord and Savior, Amen". We believe that if you prayed that simple prayer you have been born again. You are starting with a clean slate, and you have entered into a personal relationship with Jesus Christ.

Scientology shares the goal of spiritual salvation that exists in many faiths such as Judaism, Islam, Christianity, Buddhism and Hinduism. While the terms in which salvation is to be accomplished differ in Scientology, the spiritual goal of saving the soul is a commonality shared with many faiths.

Scientists believe that people are immortal spiritual beings who have lived before and who will live again, and that their future happiness and immortality as spiritual beings depend on how they conduct themselves in the here and now.

We believe that salvation is received by God's grace through faith in Christ, repenting sins, confessing Christ, and being baptized (immersed) into Christ for the forgiveness of sins and the gift of the Holy Spirit; but that none of these is sufficient in and of itself for the assurance of salvation.
